If you are going into hospital, please let Fr Philip know so he can visit. We do not always get the names of patients & can miss people if you do not tell us they are in-patients. Thank you.

CONTACT FR PHILIP: Please don't hesitate to contact me for a chat or for any help you might need, I am more likely to be at home during this time and I am here for you all. Please leave a message if I am out, I will probably be in the garden, I will call you back.

ROSARY DURING MAY, the month of our Lady, I will pray the Rosary in the chapel one evening each week, for Covid-19 sufferers, carers, families & all who have died. Please join me if you can, this week I will pray the Rosary on **Monday 11th May** at 19.00. FREE THERAPY with Rosalind Bubb, a parishioner at St Michael’s and in the 11.00 Mass music group. Rosalind writes: I am an experienced and qualified therapist **offering free, emotional support sessions to nurses, doctors and clinical staff** in the UK. Are you feeling tired, stressed, overwhelmed or scared? Would you like a **free support session**, to help you feel better able to cope with the demands of the current situation? As a therapist I’ve been in practice for 16 years, using **EFT** (Emotional Freedom Techniques) known as “**tapping**”. EFT can be thought of as “emotional first aid, at your fingertips”. “EFT can be an efficient & effective short-term treatment for reducing biological markers of stress.” When we use tapping together it can really help to change the way you feel. I have created a 90-second video of introduction: <https://youtu.be/wbY5-PGAmnU>

There are more details and many links on our website and in newsletter for 26th April.
