WORLD COMMUNICATIONS DAY is kept by the Church throughout the world this weekend to recognise the important role of the media in our lives & in the spread of the Gospel. Pope Francis has issued a statement on the theme "Come & see":

The invitation to "come and see", which was part of those first moving encounters of Jesus with the disciples, is also the method for all authentic human communication. This has always been the way that the Christian faith has been communicated, from the time of those first encounters on the banks of the River Jordan and on the Sea of Galilee. See the whole statement at [Catholic Bishops Conference of England and Wales \(cbcew.org.uk\)](http://Catholic Bishops Conference of England and Wales (cbcew.org.uk))

ST MICHAEL'S DEVELOPMENT: at present we are completely stuck waiting for Planning Permission from the Local Authority, now more than three months late.

Today, available in church and on our website is an appeal to you to pledge your help as and when the time comes that we can do our work. Please find the form on the website by following this link: <https://www.stmichaelrc.org/development-fund/>

We cannot raise money yet, but we need to know how much support we have for paying back a prospective loan. Please take the pledge form and think about how you could support us, please do not give any money, but pledge your future support. I hope everyone will be part of this, even if you can only afford a small amount, it all adds up and we are all in this project together for the future of our church community.

If you cannot access this at church or online, please email or phone for a copy to be sent to you. Thank you.
