ST MICHAEL'S DEVELOPMENT: at present we are completely stuck waiting for Planning Permission from the Local Authority, now more than four months late. Pledge forms are available in church and on our website for you to make a pledge if you can. Please find the form on the website by following this link: <https://www.stmichaelrc.org/development-fund/>

Thank you to all who have returned the pledges, a total of 20 pledges have been returned raising a potential **£790 per month**: 3 one off pledges totalling £3,150. This is very generous response in difficult times: when building work starts, I am sure others will support the project.

SETTLED STATUS? I know many of you are EU citizens but have been in the UK for many years: this is another gentle reminder that under new regulations you need to do something about your status before the end of this month. I hope families are aware of this and making sure older relatives have registered, if not please do so as soon as possible.

CLEANERS THIS WEEK: Syro-Malabar community on **Saturday 26th June**. Thank you.

COVID REGULATIONS remain in force, so we must continue booking for Mass, I am sorry that we need to do this. There are more seats in Church now & we do not to put more than one household in a row. If you are now getting back to more normal life, it might be time for you to start returning to attending Mass, we would love to see you.

LOST PROPERTY: there are two tables full of lost property in the Good Shepherd Room, please have a look, some may be yours; any left next Sunday evening will go to a charity shop.

LEPRA have sent a letter of thanks for the very generous support at the recent appeal on their behalf, a total of **£527.83**, they note that this amount helps to cure 21 people of leprosy. Thank you very much for your support.

MESSAGE FROM CAFOD: Thanks to your support, CAFOD has been helping communities around the world cope with the pandemic. Just in Zambia, in the past year, our reports show we've been able to reach 1,234,200 people with messages on COVID-19, provide 13,312 people with access to safe water, train 392 frontline health workers from Zambia's 11 dioceses on how to prepare and respond to COVID-19 in their local communities and donate over 1000 handwashing hygiene stations in communities to support handwashing measures. Thank you for standing alongside people in Zambia and for supporting people in more than 30 other countries worldwide.

DAY FOR LIFE which is to be held during the weekend of **19th / 20th June 2021**. This day, inaugurated by St. John Paul II, presents an opportunity to pray for the gift of life from conception to natural death, to raise awareness of the precious gift of life, and to support the work of protecting life in its most vulnerable stages through the annual collection. This assists pro-life organisations who raise awareness, engage in parliamentary work and pastoral outreach. This year's theme for 'Day for Life' focuses on assisted suicide and the respect owed to life. The online resources are produced to inform Catholics about this threat to life and to share with people our response to such a threat: a true compassion as the just response to the immense value of the human person, please go to [Catholic Bishops Conference of England and Wales \(cbcew.org.uk\)](http://Catholic Bishops Conference of England and Wales (cbcew.org.uk))

SUNDAY COLLECTION goes in the orange buckets near either of the doors of the church.
